If it is meant to be the actual travelling expenses within the Scale, then the Comptroller thinks that a certificate signed by the Dewan or his private Secretary to the effect that the allowances claimed in any particular bill do not exceed the actual travelling expenses is necessary for admitting the claim in audit.

He also suggests the use of a special form of travelling allowance bill for the Dewan containing this and other certificates prescribed in the appendix to the S.D. of the 15th Feb 1907.

I think the word actual should be expunged from the expression 'actual travelling allowance' in para 2 of Govt order. This was probably what was meant.

Dear Mr. Majumdar,

In your note of the 16th inst. with the accompanying S.+A. file no 5 of 06-07 regarding the Dewan's travelling allowances you say that "in some cases the Road mileage of one rupee has not been drawn. Hence actual expenses seem to have been intended" On enquiry in the Dewan's office I am told that from the 19th Feb'07 (the date of the order, travelling allowances have been drawn according to the scale laid down, and that from road journeys the road mileage of one rupee has been

The Comptroller has asked for instructions in regard to the interpretation of the words "actual travelling allowances" occurring in para 2 of Government Proceedings No.Fl.682-2/S&A.510-06-1, dated 19th February 1907, regulating the pay and travelling allowances of the Dewan. He observes that if by actual travelling allowances is meant actual travelling expenses, it could not be according to a scale laid down, as it must vary for each journey. If actual travelling expenses within the scale are intended, then a certificate by the Dewan or the Private Secretary to the effect that the allowances claimed do not exceed the actual travelling expenses would be necessary.

The Second Councillor is of opinion that the word "actual" should be expunged from the expression "actual travelling allowances" in para 2 of the order.

I think this will avoid all audit complications, and submit the matter for orders.

OFFICE OF THE COMPTROLLER, MYSORE GOVERNMENT.

Dated Bangalore, the 4 June 1907.

FROM U.L. Majumdar, Esq., M.A.,

COMPTROLLER, MYSORE GOVERNMENT.

To

D 5760 K.S. Chandrasekhara Iyer, Esq., B.A., B.L.,
SECRETARY TO THE GOVERNMENT OF MYSORE,
General and Revenue DEPARTMENT.

SIR,

With reference to para 2 of Government Order No. Fl. 6281-2/S & A.510-06-1 dated the 19th February 1907, in which it is stated that the Dewan will on days on which journeys are made, draw actual travelling allowances according to the scale laid down in the appendix, I have the honour to observe that if by "actual travelling allowances" be meant actual travelling expenses it cannot be according to the scale as it must vary for each journey. I therefore request I may be favoured with an interpretation of the words "actual travelling allowances" as contemplated in the order.

If actual travelling expenses within the scale are intended, a certificate signed by the Dewan or his Private Secretary to the effect that the allowances claimed in the bill do not exceed the actual travelling expenses incurred is necessary for admitting the claim in audit. If so, I would suggest the use of a special form of travelling allowance bill for the Dewan containing this and the other certificates prescribed in the appendix to the Government order.

I have the honour to be,

Sir,

Your most obedient servant,

Comptroller.
